EXAMPLE · MARK 10:32–45

SCRIPTURE

Author: John Mark

Date: Somewhere between 50–70 AD

Purpose: To show Jesus as the Son of God

OBSERVATION

Third time Jesus predicts His death.

It's also mentioned multiple times in the OT. (Isaiah 53)

The disciples still did not get it and instead pursued earthly glory.

Glory – importance/honor

GOD IS…

all powerful, yet He chooses to serve.

THEREFORE, I…

look not to be served but to serve.

APPLICATION

I believe it, but like James and John, I still want people to notice me. The lie: I only matter if I'm in charge.

This week: stop keeping score, build my friends up, and do a chore nobody thanks me for.

REFLECTION

God, help me live this out this week.

Still wondering: what's the "cup" (v.38), and why ask for glory right then? I'll ask my small group leader.
